

TAGGIT® Pro 17 – Download and Installation Guide

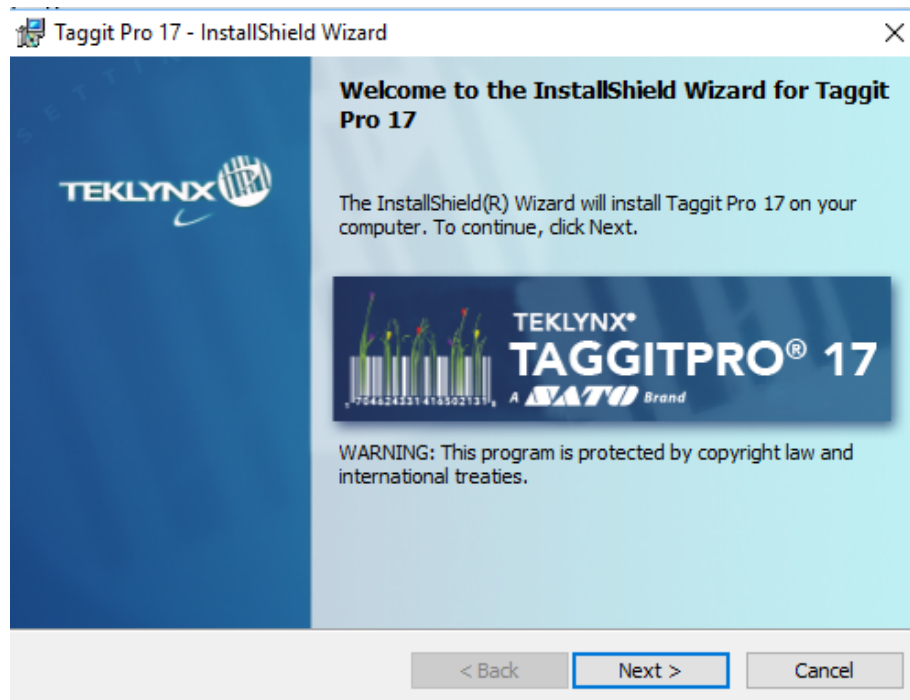

***Note: Before installing this software, please save your work and close all other programs.**

Before running the installation program, check the configuration of your PC.

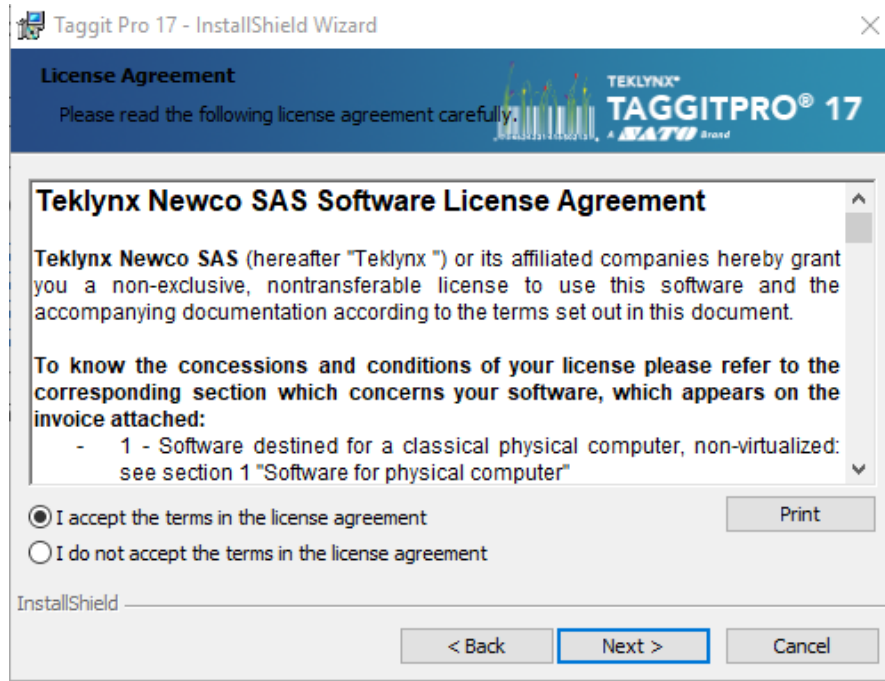

1. Click on link given in your License Information Document.
[TAGGIT® Pro 17 \(Windows 7/8/10, 32 and 64 bit\)](#)
2. You will get a dialog box to select the language for the installation. Choose your language and click OK.

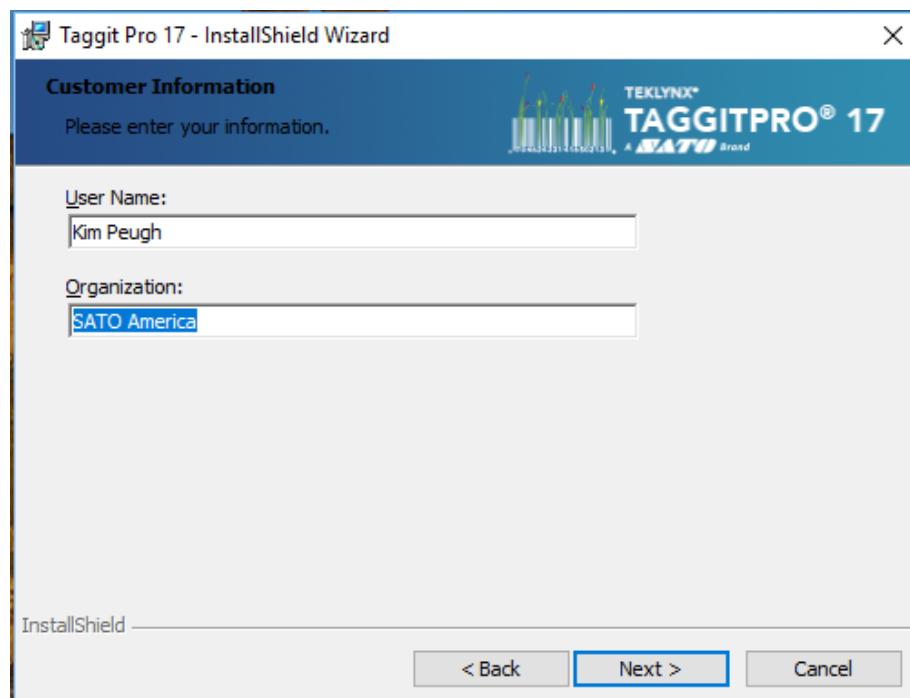

3. You will get a Welcome to the InstallShield Wizard for Taggit Pro 17 dialog box. Click Next.

4. You will get a License Agreement dialog box. Click on “I accept the terms in the license agreement” and click Next.

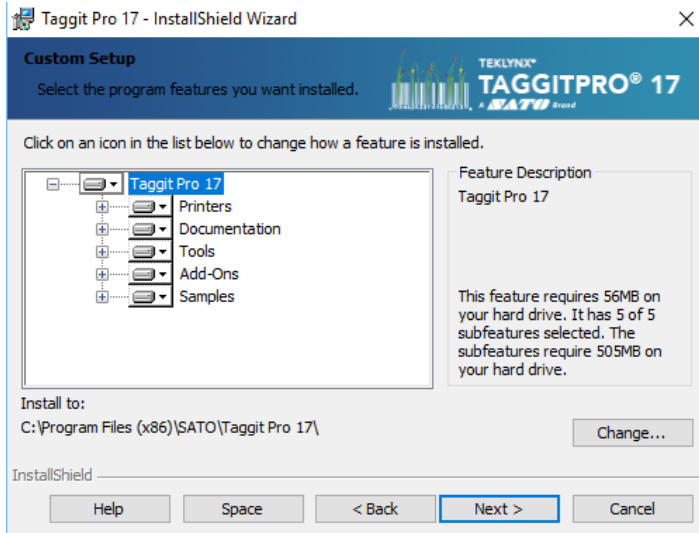

5. You will get a Customer Information dialog box. Fill in the User Name and Organization. Click **Next**.

Install Taggit Pro 17

Before running the installation process, check that you have local administrative rights.

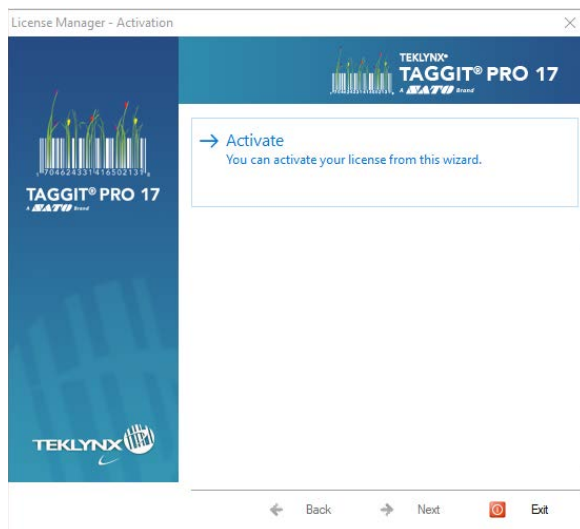

1. Follow the on-screen instruction through the wizard until you reach the **Custom Setup** Screen.

2. On the **Custom Setup** screen, you can select the program features you want to install and then click **Next**.
3. Below the feature list window, the **Install to** line show the default installation folder.
4. Click **Next**. The installation wizard installs the TAGGIT® Pro software. When the wizard has completed the install a message appears to inform you that TAGGIT® Pro software has been installed successfully.
5. Click **Finish** to exit the wizard.

Activation the software with Internet Access

Once you have installed TAGGIT® Pro software, the Activation Wizard will take you through the process of activating the software.

To Activate the Software Key:

1. Start TAGGIT® Pro a welcome screen appears that displays the options you have to activate the software immediately or try it for an evaluation period.
2. Click **Activate** and then **Next**. The License Information screen appears.

Enter your **Serial Number and Password** completely and click next. This will take you to the **Registration Information** screen where you will enter your company's information. Once you have filled out the Registration Form click **Next** to complete the activation process.

Upon completion you will receive the **Activation Wizard Summary** screen.

The screenshot shows a software activation window titled "License Manager - License Information". The window has a blue header with the "TEKLYNX® TAGGIT® PRO 17" logo and "A SATO Brand" text. On the left side, there is a vertical blue bar containing a barcode, the serial number "1704624331416502137", and the "TAGGIT® PRO 17" logo. The main content area is white and contains the instruction "Please enter the license information you received with the product." Below this, there are two input fields: "Serial Number" with the value "NSP" and "Password". At the bottom of the window, there are three buttons: "Back" (with a left arrow), "Next" (with a right arrow), and "Exit" (with a red square icon).

Click **Finish** to close out of the activation process and begin using your TAGGIT® Pro software.
